Notice is hereby given that the Transportation Improvement Program (TIP) for Belmont, Ohio and Marshall Counties has been prepared in draft form and will be available for public review and comment. The TIP includes federal aid highway and transit projects and programs for which implementation is anticipated during the next four fiscal years beginning July 1, 2023.

The TIP will be available for review from March 27, 2023 through April 10, 2023 in the office of Belomar Regional Council, at the address shown below. The TIP, including highway and transit project listings, will also be available on Belomar's website and Facebook page.
